# Ismail Nosseir

## Performance Marketer & AI Content Creator

Cairo, Egypt · +20 109 596 0220 (WhatsApp) · ismailnosseir7@gmail.com · Portfolio: canva.com/d/fDOo1enlio7FeO9 · Open to remote work (Egypt & GCC)

### PROFILE

Performance marketer who is measured on leads and revenue. I run Meta ad campaigns end to end, produce the creative myself with AI (video, product visuals, UGC-style ads), and build the websites and apps campaigns land on. Bilingual Arabic/English, with campaign experience for brands in Egypt, Saudi Arabia and Kuwait.

### KEY RESULTS

- Cut monthly ad spend **62.5%** (40,000 → 15,000 EGP) while generating **2.5× more leads** for Grapes Holiday.
- Generated **350,000+ EGP revenue in the first two weeks** of Rihla Travel's launch campaigns.
- Reduced CPM by **77%** (40 → 9 EGP) through account warming and audience optimisation.
- One-week AFCON 2025 campaign brought in **500,000+ EGP in bookings**; I made the creative the same day.

### EXPERIENCE

**Digital Marketing Consultant** Oct 2025 – Present

*Grapes Holiday, luxury tours & travel agency, Egypt*

- Cut monthly ad spend from 40,000 to 15,000 EGP (−62.5%) while lead volume grew 2.5×.
- Generated 3,046+ messaging conversations and 2,806+ new leads; cost per lead as low as 18.54 EGP.
- Ran campaigns for European tours, Aswan cruises, international packages and visa services, from awareness to booking.
- Planned and launched the AFCON 2025 trip campaign in one day, including the creative: 500,000+ EGP in bookings in one week.

**Performance Marketing Manager** Jan 2026 – Present

*Rihla Travel, premium travel agency, Egypt*

- Built the company's digital acquisition setup from scratch, from lead generation to package sales.
- Generated 350,000+ EGP in revenue within the first two weeks of launch.
- Cut CPM from 40 to 9 EGP (−77%); cost per conversation as low as 5.54 EGP (visas) and 9.99 EGP (packages).
- Managed 54,822 EGP in ad spend across 18 campaigns: 2,747 leads at a 19.96 EGP blended cost per lead, reaching 199,000+ accounts.

**Marketing Consultant (remote)** 2024 – 2025

*NovaX Creative Agency, Saudi Arabia*

- Content, strategy and full-funnel marketing for Esplanade Mall, Privea Dent, IPC Pet Clinic, Danson and Tosy Factory.
- Built NovaxOps, the agency's marketing operations platform (AI content creation, task management, workflow automation).

**Director, Copywriting & Social Media** 2024 – Present

*Online entrepreneurship community (remote)*

- Built training on copywriting psychology, high-converting content and platform-by-platform strategy.
- Ran content reviews and funnel tuning for hundreds of members.

**Project work** 2023 – 2024

- **Multi Marque** (interior design, Kuwait, May 2024): built the brand's social presence from scratch and its Kuwait growth strategy.
- **MOHM** (furniture, Egypt, Jun 2024): social strategy and market report, business model review, mystery-shopper calls to audit customer support, website layout and customer-journey recommendations.
- **The Agency** (marketing agency, Egypt, Mar 2024): supported strategy and execution for client branding and market entry.
- **Moonbow** (candle brand, Egypt, Mar 2023): revived sales after three months of zero revenue; built a Mother's Day campaign in 3 days, 63+ direct leads on minimal spend.

## FOUNDER & PRODUCTS

- **IgniteUni** (2026): AI study platform for university students; 157 users and 20 sales with no paid marketing.
- **Sparq Study** (2026, pre-launch): IGCSE/A-level class platform that marks exam papers question by question.
- Products built by directing AI coding tools (Claude Code), from idea to live app.

## AI CONTENT CREATION

- AI video, product visuals and UGC-style ads with Higgsfield (Kling, Seedance, Nano Banana) and Google Flow.
- Spec concept campaigns for 9 brands, including Fawry, Azza Fahmy, El Abd and UNTY, each built on one visual idea, with Arabic taglines.

## SKILLS

**Paid media:** Meta Ads, campaign structure, account warming, CPM and CPL optimisation, lead generation, reporting

**Creative:** AI video and images, ad creatives, copywriting (Arabic/English), content strategy

**Web & product:** landing pages, websites, apps built with AI tools, UX and customer-journey audits

**Tools:** Meta Ads Manager, Higgsfield, Google Flow, Canva, CapCut, n8n, Claude Code
